

Dear Prospective Parent,

Established in 1972, The New School Rome is a co-educational day school with an international student body of more than 200 students ranging from 3-18 and comprising more than 30 different nationalities.

Choosing a school is always a difficult and highly personal choice. Here are the reasons why I believe you should consider sending your child to The New School Rome:

- An **English curriculum** from Early Years through (I)GCSE and ending with the internationally renowned A-Levels – the *only* school in Rome to do so.
- Access to the very **best universities** in the UK, Italy and the USA
- **Fully qualified and UK-trained teachers** with numerous years' experience teaching in the UK and in other international schools
- A **delightful, intimate and friendly setting** in which class sizes rarely exceed 16 and in which teachers work collaboratively and productively with students
- A **unique, democratic environment** in which the students', teachers' and parents' voices contribute to the running of the school
- **Outstanding academic results** at IGCSE and A-Levels
- The school is a **not-for-profit** association so any revenue left over is re-invested back into the school
- **Beautiful leafy grounds** near to the centre of Rome
- **Excellent facilities** including new Science Laboratories and a brand new **Library and Resource Centre**

I would be delighted to meet you and show you around the school so that you can feel the magical atmosphere yourselves. Please feel welcome to visit us by fixing an appointment on 06 329 4269.

Yours faithfully

Jonny Massey

Head teacher and Chairperson of the Academic Council
